Forecast For Grampian
Issued by Met Office Aberdeen
at 0400 on Sunday 26 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry with some warm sunshine today, southwest cloudier.

Today:
Many places will have a dry day with some spells of sunshine, although parts of western and southern Aberdeenshire will be cloudier at times. Brisk southerly wind along the east coast. Feeling very warm in the afternoon sunshine. Maximum temperature 21 deg C (70 deg F).

Tonight:
Rain will reach the west later this evening, and then gradually spread eastwards to most other areas overnight. Some heavy rain likely at times. Far east may stay dry. Minimum temperature 8 deg C (46 deg F).

Monday:
Cloud and rain gradually clearing away east through the morning. Brightening up and becoming drier in the afternoon with the odd shower. Much cooler than of late. Maximum temperature 16 deg C (61 deg F).

Outlook for Tuesday to Thursday:
Dry morning on Tuesday, chance of some rain later. Early rain in the east on Wednesday, otherwise dry. Further rain early on Thursday, then dry.
